TECHNICAL DATA

UPPER: oiled nubuck hydro + quick release

INSOLE: Unisoft®

TOE CAP: 200 J non-metallic Unicomp®

MID-PLATE: non metallic '0 anti-perforation textile'
also protection for nails until 3mm

SOLE: polyurethane double density anti torsion

LINING: membrane DRY PROOF - WR CI

SIZES: 36/48

SAFETY CATEGORIES

Mid-Plate
ADVANCE PS 3mm

Sole
X3
polyurethane *double density*
anti torsion

Toe Cap
UNICOMP®

Insole **UNISOFT**

Insole composed by different materials with 3 different thickness for moisture dissipation. Excellent comfort, antistatic properties.

On the heel, a gel insert offers a better comfort.

The central part of the insole is more thick to allow a better support for the foot. The front side is made by three material layers and by a vegetable fiber insert.

Hygienic and breathable, the moisture dissipation and absorption are simplified.
